| The students know a broad variety of media and medial methods and are able to use them in the classroom purposefully. Through the use of interactive media they can lead the students to self-organized and independent learning and working. They can prepare their lessons effectively and support them with objects for learning in an optimal way.   |                       |                        |                                      |  |                      |  |
