<b>Contents</b>		
The module deals with basic questions and challenges of inclusion. It opens up different perspectives towards inclusion and elaborates particularly on questions and tasks that inclusion creates in everyday school life under the conditions of specific kinds of schools. Possible answers and solutions are elaborated and discussed.		
<b>Intended learning outcomes</b>		
The students know about fundamental questions of inclusion. They can name various challenges that inclusion creates for the individual, society and school. They are able to take on different perspectives and points of view towards inclusion and base their own position on this. They are aware of the school type specific conditions and goals in connection with inclusion. They elaborate basic competences for dealing with students in inclusive lesson contexts.
