<b>Contents</b>		
The students get an insight into the practice of dealing with crisis situations at school with a focus on case-related conversation and consulting competence. Future teachers are made aware of their perception of individual student crisis and learn when to consult which out-of-school institutions, if necessary.		
<b>Intended learning outcomes</b>		
The students have examined problems of children and teenagers in situations of crisis and realize when to contact which out-of-school institutions for help with certain special problems.
