<b>Contents</b>		
<p>The module deals with the challenges that pupils in a state of crisis might pose for the entity of school and lessons. This is done from a subject specific point of view. It points out subject specific questions and tasks that involved schools, people and lessons have to face. Possible options for support -- also out-of-school institutions -- are presented. Possible answers and approaches for the teacher in a specific subject are elaborated and discussed.</p>		
<b>Intended learning outcomes</b>		
<p>The students know about basic problems of pupils in situations of crisis -- also from a subject specific point of view. They are able to adopt different perspectives. They know where to get help and support (not limited to their school and profession) and are able to make use of this knowledge. They develop subject specific, basic competences and attitudes when dealing with students in situations of crisis.</p>
