Content and Objectives of the Programme

The study subject Comparative Indo-European Linguistics AW is offered by the Philosophical Faculty of the JMU as part of a basic course consisting of a major and a minor. The academic degree acquired depends on the major. The aim of the course is to impart basic competencies in linguistic and philological methods and theories and to provide an insight into the various Indo-European languages.
Abbreviations used

Course types: **E** = field trip, **K** = colloquium, **O** = conversatorium, **P** = placement/lab course, **R** = project, **S** = seminar, **T** = tutorial, **Ü** = exercise, **V** = lecture

Term: **SS** = summer semester, **WS** = winter semester

Methods of grading: **NUM** = numerical grade, **B/NB** = (not) successfully completed

Regulations: **(L)ASPO** = general academic and examination regulations (for teaching-degree programmes), **FSB** = subject-specific provisions, **SFB** = list of modules

Other: **A** = thesis, **LV** = course(s), **PL** = assessment(s), **TN** = participants, **VL** = prerequisite(s)

Conventions

Unless otherwise stated, courses and assessments will be held in German, assessments will be offered every semester and modules are not creditable for bonus.

Notes

Should there be the option to choose between several methods of assessment, the lecturer will agree with the module coordinator on the method of assessment to be used in the current semester by two weeks after the start of the course at the latest and will communicate this in the customary manner.

Should the module comprise more than one graded assessment, all assessments will be equally weighted, unless otherwise stated below.

Should the assessment comprise several individual assessments, successful completion of the module will require successful completion of all individual assessments.

In accordance with

the general regulations governing the degree subject described in this module catalogue:

**ASPO2015**

associated official publications (FSB (subject-specific provisions)/SFB (list of modules)):

**03-Feb-2021 (2021-4)**

This module handbook seeks to render, as accurately as possible, the data that is of statutory relevance according to the examination regulations of the degree subject. However, only the FSB (subject-specific provisions) and SFB (list of modules) in their officially published versions shall be legally binding. In the case of doubt, the provisions on, in particular, module assessments specified in the FSB/SFB shall prevail.

### Contents

In this module, students (without any previous knowledge of the Latin language) gain a solid knowledge of Latin.

### Intended learning outcomes

Students develop the ability to comprehend the content, structure, and message of original Latin texts that correspond in difficulty to simpler passages from prose texts (e.g. Caesar, Nepos). Upon successful completion of the module, students will be issued the Latin language certificate *Kleines Latinum* that attests a "solid knowledge" of the Latin language. The certificate also attests a "knowledge" of the Latin language.
