5	numerical grade	--
<b>Duration</b>	<b>Module level</b>	<b>Other prerequisites</b>
1 semester	undergraduate	--
<b>Contents</b>		
The module focusses on a thematic field of adult education and continuing education. The emphasis is on information about fields of work and institutions of education in the context of lifelong learning, which is supplemented by independent field explorations in self-organised exercises and orientation studies.		
<b>Intended learning outcomes</b>		
Students are familiar with key issues of a pedagogical field and its history in institutions and organisations. They will have gained an understanding of important structures of the specific field against the background of questions of professional theory and will be able to categorise these. Furthermore, they can carry out field trips independently.
