This module provides students with deeper insights into methods and problems in history, with a particular focus on ancient and medieval history. It then moves on to provide an overview of key media and methods for the teaching of topics from ancient and medieval history in the Hauptschule classroom.		
Intended learning outcomes		
This module provides students with deeper insights into a selected key topic in ancient or medieval history. It familiarises them with relevant research methods and subjects and provides an overview of major sources and accounts. Students develop the ability to use these when they prepare lessons and to adapt these into teaching materials that are suitable for pupils in Hauptschule. They develop the ability to reflect on the challenges and opportunities surrounding the teaching of topics from ancient and medieval history in the Hauptschule classroom and to apply the results of their reflection by planning lessons that are tailored to the needs of their target group. Students develop the ability to select media resources that match their learning goals and to use these in an appropriate manner.

This module provides students with deeper insights into methods and problems in history, with a particular focus on early modern and modern history. It examines the structure and contents of the GSE (History, Social Studies, Geography) curriculum in detail. On the basis of this curriculum, students choose lesson topics and select appropriate teaching methods and approaches.		
Intended learning outcomes		
This module provides students with deeper insights into a selected key topic in early modern or modern history. It familiarises them with relevant research methods and subjects and provides an overview of major sources and accounts. Students develop the ability to systematically work with the GSE curriculum for Hauptschule and to choose lesson topics on the basis of this curriculum. They develop the ability to simplify topics for teaching purposes and to select appropriate methods to teach these topics. Students develop the ability to define clear learning goals and to teach in ways that help pupils achieve them. They gain a comprehensive overview of important media for the GSE classroom and develop the ability to use these in a flexible and purposeful manner.

This module explores the didactic, methodological, and media-related bases of history didactics both in a theory-based manner and in relation to the practical implementation in the history classroom. It provides an overview and discusses selected examples.		
Intended learning outcomes		
Students gain an overview of fundamental topics, research approaches, models, media, and methods of history didactics and become familiar with standard references on history didactics. They develop the ability to select and employ appropriate research methods. Students independently read relevant literature and develop the ability to critically review publications on history didactics. They consolidate this knowledge in a selected area within history didactics and/or historical methods.
