1 semester	graduate	Sound knowledge of the Ancient Greek language and/or Ancient Greek language certificate Graecum.
Contents		
Students will be acquainted with lecture of Greek and Latin texts with archaeological and visual cultural relevant content. The module imparts and applies in-depth the methodology of archaeological-philological text analysis. Intense source criticism.		
Intended learning outcomes		
Students are able to juxtapose ancient texts and archaeological remains and to evaluate them critically. Thus, they develop a sensitive consciousness for methodological preconditions of archaeological and philological text analysis.

Contents		
In the module the temporal, regional and functional determination of less known archaeological objects, which are partially younger than some originals in the Martin von Wagner museum, will be thematised.		
Intended learning outcomes		
Students are able to apply their knowledge, which they have acquired during their studies, of evaluation and classification of archaeological monuments to less known objects or objects that have not already been developed comprehensively through secondary literature.
